**Announcing our New Summer Program...
Backyard Bible Clubs**

What is a Backyard Bible Club?

It's similar to a church-based VBS, but on a much more personal level. Instead of taking place on our church property during a specific week, members of our church will be hosting clubs in their backyards throughout the month of July.

Join us for our Kick-Off Event, Wednesday night, July 1st.

We'll be having our Community Fair, where you can meet our host families, register your child for a club, and enjoy food, fun, fellowship, and games with our church family.
